

NorthEast Citizens' Association

The important part of our name is Citizens'. We are an association of people working together to preserve our neighborhood and our City. The NorthEast Citizens' Association (NECA) welcomes all people living within the boundary of NorthEast, renters and homeowners alike. The apostrophe in our name means it is YOUR association.

Nordic Press Development

In October the developer of a 28-unit condo building planned for the Nordic Press site on Slaters Lane will be going before the Planning Commission and the City Council to ask for approval of this development.

The attorney and architect for the development will be at the meeting to show us their final design plan and to hear your comments about parking, design, open space, etc. before seeking approval from the City. This will be the last association meeting before the City makes its decision.

The Association will let the City know how we feel about this development based on your input.

Mirant Plant Shut Down

While the Mirant Power plant is currently shut down, we need to continue monitoring the developments of the plant.

Poul Hertel, one of the driving forces in bringing the adverse impact this plant has on our neighborhood to the attention of the City and State, will give us an update on the status of the plant.

Who Speaks for NECA

While we encourage all members to express their opinion at a public forum, only the President speaks on behalf of NECA.

Important Information

Between distribution of meeting flyers information does come to our attention. The only way we have to disseminate this information is to send email messages.

If you would like to receive information important to our neighborhood, please send an email to NECAList-on@neca-alex.com and you will automatically be added to the email list. Do not send any messages to NECAList - they should be sent to info@neca-alex.com
