Presentation By City Transportation Task Force

Several years ago the City's transportation plan to solve the problem of traffic in the City was to enhance the capacity of through traffic while protecting the neighborhood streets. Over time the growth of development generated more cars traveling through Alexandria and around the City streets. The City realized that only providing more capacity for the through traffic was not a viable option and did not ensure internal mobility within the City of Alexandria.

Election of Officers and Board

The following members have volunteered to fill the positions of our officers and board members:

Officers

President	Mariella Posey
Vice President	Mary Jane Kramer
Secretary	Pat Phibbs
Treasurer	Sylvia Sibrover

Board of Directors

Jean Caldwell
Richard Cooper
Poul Hertel
Pattie Ryan
Theresa Tidwell
Steven Troxel

Police Report

Linda Erwin, NECA's Police Liaison, will give us an update on crime in the neighborhood during the summer months.

Emergency Preparedness

Sarah Self-Kyler, our neighbor and member of the Alexandria Citizens Corps, will let us know the steps we need to take to be prepared for natural and man-made emergencies as individuals and as neighbors and some of the things the City is doing to be prepared for such emergencies.

To address these problems, the City created a Transportation Task Force to explore possible solutions for future mobility within Alexandria.

George Foote, a member of this Task Force, will give a presentation on the findings and suggestions of the Task Force. This will be your opportunity to hear their suggestions and provide your feedback and input before their report goes to City Council.

Who Speaks for NECA

While we encourage all members to express their opinion at a public forum, only the President speaks on behalf of NECA.
