Fall Leaf Collection

Leaf collection began October 30th. A flyer was mailed out by the City reminding residents of the program.

Area V includes NorthEast. Our pickup will be weekly beginning on the 30th.

Proper Preparation

- Use only biodegradable bags for leaves because they may be shredded and processed with the leaves into mulch.
- Remove dirt, stones, litter and other debris from leaves before placing in biodegradable bags.
- Leaves placed in plastic bags will not be picked up under this program. They should be placed with your regular trash.

Remember to check the City's web site for additional information on this or go the link through the NECA web site. You may also call the City's information hotline at 703.519.3453.

Who Speaks for NECA
