

NorthEast Citizens' Association

The important part of our name is Citizens'. We are an association of people working together to preserve our neighborhood and our City. The NorthEast Citizens' Association (NECA) welcomes all people living within the boundary of NorthEast, renters and homeowners alike. The apostrophe in our name means it is YOUR association.

Association Meeting May 20, 2009 7:30 PM Fire Station at Second and Powhatan Streets

GUEST SPEAKER: Adam Thiel, Alexandria's Fire Chief

Chief Thiel will speak to the association to explain the role of the fire department and the EMS services. He will talk about their goal to protect lives and property through fire prevention and safety education efforts, in addition to quick and effective responses to emergencies rising from all hazards.

If you have questions about protecting your home or apartment from fire hazards the city's response to any type of emergencies or the fire department as a neighbor plan to attend the meeting and share your comments.

The Summer Break Starts

This will be the last scheduled meeting of the association year.

If you have any suggestions or requests on topics for next year's meetings, please share these ideas with the rest of the members after the fire chief speaks.

Who Speaks for NECA

While we encourage all members to express their opinion at a public forum, only the President speaks on behalf of NECA.
