

The important part of our name is Citizens'. We are an association of people working together to preserve our neighborhood and our City. The NorthEast Citizens' Association (NECA) welcomes all people living within the boundary of NorthEast, renters and homeowners alike. The apostrophe in our name means it is YOUR association.

The following neighbors responded to our request to the membership to volunteer to serve as officers or board members for the 2009/210 association fiscal year.

We are pleased to have two new members on the Board.

| Vice President | Mary Jane Kramer |
| Treasurer | Sylvia Sibrover |

Board:

- Marianne Anderson
- Rick Cooper
- Archer Heinzen
- Poul Hertel

Since none of the positions are contested and there can be no nominations from the floor (as stated in our election letter), the election process will be the first item on the agenda.

What Does the Health Department Offer to the Citizens of Alexandria

Lisa Kaplowitz, the head of Alexandria's Health Department, will be the guest speaker at this meeting.

She will tell us about the services offered by the Alexandria Health Department and the steps the City is taking to address a potential outbreak of the H1N1 virus (swine flu) plus what you can do to protect you and your family from this virus.

Her presentation will not include a Q and A session on the health care reform legislation that is currently being debated in the U.S. Congress.

Your comments and views on this issue should be sent to Senators Mark Warner and Jim Webb and Congressman Jim Moran.

Who Speaks for NECA

While we encourage all members to express their opinion at a public forum, only the President speaks on behalf of NECA.
